## Karen's Krafty Tip

I love a guide on my 1/4" foot when piecing quilts! It keeps me aligned for a straight consistent seam.

Even when someone interrupts my sewing or I begin to day dream of my next project it helps to keep my fabrics in place.

Available for the TL and HZL series.

### Artist Statement

"I'm an artist in Suyu-dong, Seoul, Korea. I live right under a mountail called Samgak, and the green mountain and the shade of the trees has penetrated my mind, so I

always mention it when I introduce myself. Visualizing scenes from daily life or moments that I experienced when I felt inspired. One scene that perhaps speaks for only an instant gets reproduction and expansion is the form or method by which that instant maintains its perpetuity."
